2014-2015 CANSI National Seminar and CC Briefing - March 23 - 27, 2015, Silver Star, B.C.

The CANSI national seminar and course conductor briefing is only weeks away. Registration is now open on CANSI.ca, and the early bird fee of only \$300 has been extended to March 8. Register now to take advantage of this reduced price.

The national seminar takes place March 25 to 27 and is open to all instructors. The

course conductor briefing will take place March 23 and 24. All course conductors may attend the briefing for free.

The program is now posted on CANSI.ca so you are able to see all the sessions to be presented. It promises to be a great seminar with many interesting presentations. Best of all, there will be lots of opportunity for Level I and II instructors to get some semi-private lessons with the best instructors in Canada.

CANSI is pleased that through our partnership with CSIA Warren Jobbitt, CSIA's Manager of Education Development West, will be presenting two sessions at the seminar open to all CANSI members. He will be doing an on-snow session for telemark skiers and an indoor session on experiential education. These sessions promise to be among the highlights of our seminar.

Hope to see you at Silver Star.

Ken Schykulski, Technical Committee Chair
