

Welcome,

Like every year, all CANSI members are invited to attend our **National Seminar**, held alternately East or West.

It is the perfect place to hone your skills and technique. **Whatever your level of skiing**, this seminar is for you. Take the time to look at the program and join us this year for skiing in the best location in Canada East, le Massif de Charlevoix. I hope to see you there.

Gaétan Lord
Président national CANSI
Association canadienne des moniteurs de ski nordique

LATEST NEWS : 2016 Seminar

To all CANSI members, we have extended the early bird deadline until midnight, February 5th.

Preliminary session programs are now online on the [seminar website](#). We invite you to look at the list and send your preferences to [Francoise](#). Final session participation will be decided on a first come, first serve basis.

Please note that we cannot guarantee availability of the famous "[4-course dinner](#)" showcasing local Charlevoix products" for registrations received after midnight, February 8th. Late registrants will be part of the dinner group, however they may have to order from the regular menu.

We did produce a special website for this event where you should find all the information you need. Please visit seminar.cansi.ca.

All CANSI instructors in good standing are cordially invited to participate in this unique event.

In a festive and relaxing atmosphere, you'll expand your knowledge and hone your technique, while participating in a lively exchange of ideas with colleagues from across the country, all of whom share your passion for Nordic skiing. Whether you're a telemarker, a cross-country skier or both, we await you all with great anticipation!!

If you have any questions, please contact our national office: office@cansi.ca.

The organizing committee

Nouvelles du Québec

Une invitation particulière est lancée aux membres du Québec, à venir se joindre à nous dans cet endroit magnifique qu'est Charlevoix. Profitez-en pour venir passer des vacances. Les conditions de ski sont présentement excellentes et les températures chaudes n'ont pas vraiment affecté les conditions. On espère vous compter parmi nous.
