

Welcome

Like every year, all CANSI members are invited to attend our **Annual General Meeting**, held alternately East or West.

The **National Seminar** takes place during the same period. It is the perfect place to hone your skills and technique. **Whatever your level of skiing**, this seminar is for you. Take the time to look at the program and join us for skiing at its best at Canmore and Sunshine Mountain in Alberta from November 23 to 27th.

CANSI National Telemark Seminar November 23-27, 2016 Canmore, AB

Due to the very limited number of registrations and to difficulties for several national Course Conductors to attend, the Technical Committee recommended to the Board of Directors to **cancel the Telemark Seminar for this year**. A decision to that effect has therefore been taken.

Nevertheless a number of members decided to be there for the pleasure of skiing. If you like to join the CANSI Telemark Instructors group and ski together, please take the time to inform Gaétan (president@cansi.ca) who will put you in touch.
